

Glencoe Park

All walkthroughs have been completed and the final units will be turned over shortly. Landscaping work is underway with top soil expected to be placed beginning July 19th, and sod placement beginning July 24th. Thank you to everyone for your continued cooperation and mindfulness for safety while the landscaping work has been underway. The final lift of paving is required for phase 2/3 and this work is expected to be carried out by the first week of August.

Wallace Field

Construction is now underway for the first 36 townhouses. Basements for 18 are complete and the framing has started. The remaining 18 basements will be completed by the end of July. The primary electrical and gas services are being installed to the site. There is a bee hive of activity on site as the project gets a good start with excellent weather conditions.

18th Street Crossing

The building is essentially closed now with the windows and doors installed. The stucco work is beginning on July 19th and will take approximately 3 weeks to complete.

Did you know...

...a freezer works less hard when it is fairly full? So if your freezer is a little low on food, fill in the empty spaces with plastic jugs filled with water. Remember to leave space in the jugs for expansion as the water freezes.

...if you spray your Tupperware with nonstick cooking spray before pouring in tomato-based sauces there will not be any stains?

...if you cover a sticky label with a cloth or sponge saturated with warm vinegar, the label will peel off without scraping or causing damage?

..it is possible to get rid of an onion or garlic smell in a storage container? Wash the container thoroughly, than stuff a crumpled piece of newspaper in a container that has an onion or garlic smell, seal for a couple of days and the smell will disappear.

Thank You!

On behalf of Glencoe Developments Inc., we would like to thank the homeowners of Glencoe Park for your trust in letting GDI be the provider of your new home or investment.

Thank you to all of the contractors and everyone that had a hand in the completion of Glencoe Park.

Also, thanks to the Musgrave Agencies sales staff for the effort made to make this project a success.

Watch for the next Glencoe Developments newsletter in August...
